STAFF NEWS

Arts

Professor J. W. Graham attended the annual meeting of the Archaeological Institute of America, December 28–30, in Boston, where he read a paper on the Cretan Bull-Ring.

Mr. Peter Haworth has been elected president of the Ontario Society of Artists.

Professor L. C. Walmsley gave a lecture on "China since 1912" at the Military Defence College. Kingston, on January 11.

Professor F. H. Underhill was one of the Dunning Trust lecturers at Queen's University this year. He lectured on January 10 on "Canadian Liberal Democracy in 1955" and spent the rest of the week talking to student and staff groups.

Mr. J. T. Saywell is giving a course of ten lectures to the Worker's Educational Association of Galt on the subject, "Problems of contemporary Canada: an historical analysis."

Professors Goggio, Parker, Corrigan, Tayler, Drs. Leo, Levy, Molinaro, and Mr. Marín attended the Modern Language Association of America meeting in New York City, December 27–29. Papers were read by Professor Parker on "Almeida Garrett and Camoes"; by Dr. Leo on "Pulci e il diavolo"; and by Mr. Marín on "The Sub-plot in Lope de Vega's Drama." The latter was elected a member of the Steering

Committee on Spanish *Comedia* Studies. Professor Parker was elected to the Executive Council of the American Association of Teachers of Spanish and Portuguese. Professor Tayler presented to the same association the annual report of its Southern Ontario Chapter. Professor Tayler has been elected vice-chairman of the Board of Education for North York.

Professor V. W. Bladen, Messrs. H. C. Eastman, J. Harvey, C. F. Owen, S. Stykolt and N. Wolfe attended meetings of the American Economic Association in Detroit, December 28–30. Professor Bladen took the chair at the session on International Flow of Economic Ideas.

Professor William Line visited Bangkok, Thailand, during the Christmas holidays, to consult with the Ministry of Education on its recently established International Institute for Child Development. The Institute's staff includes the six Thai Fellows who attended this University last year.

Professor K. S. Bernhardt was special lecturer at the Department of Psychology, University of Western Ontario on December 2, when he gave a public lecture on "Mental Health and Child Development."

Professor D. C. Williams has been appointed to the Social Science Committee of the Federal Civil Defence Organization.

Professor L. I. Strakhovsky attended the annual meeting of the American Historical Association in New York and participated in the discussions of the session on "Rome, Constantinople and Moscow" on December 29.

In the Christmas vacation Professor A. S. P. Woodhouse attended the meetings of the Executive Council of the Modern Language Association of America, and the general meeting of the Association, as well as meetings of the editorial boards of the Yale edition of Milton's prose and the Columbia Variorum Milton, all in New York.

Dr. C. T. Bissell attended the Inaugural Ceremonies of Chancellor Furnas at Buffalo, January 6–7, where he presented greetings on behalf of "Other Countries."

Professor F. E. L. Priestley attended the Modern Language Association meeting in New York and conducted the conference on Literature and Science.

Professor J. A. Irving was a member of the symposium on "Philosophy and Social Change" presented during the annual meeting of the American Philosophical Association held in Baltimore, December 28–30.

Professor Kenneth MacLean will read two papers at a staff colloquium at the Massachusetts Institute of Technology on February 2.

Medicine

Professor Charles H. Best was presented with the J. Howard Reber Medal by the Philadelphia Metabolic Association on January 21. The Reber Medal is awarded for contributions toward the solution of social and economic problems which face diabetics. During his visit to Philadelphia Dr. Best gave a lecture on "Insulin Deficiency", and was chairman of a panel of research workers who discussed a series of medical problems as part of the Third Postgraduate Course sponsored by the American Diabetes Association.

Applied Science and Engineering

Professor C. E. Helwig attended the Eighth Canadian Soil Mechanics Conference in Ottawa, December 16–17.

Professor W. M. Walkinshaw, W. L. Sagar, C. E. Helwig and A. C. Davidson gave lectures at the Inspectors Conference for the Central Mortgage and Housing

Corporation held at Hart House, January 6 and 7, and sponsored by the Extension Department.

Professor C. P. Brockett attended a meeting of Council of the Chemical Institute of Canada at the Seigniory Club, Montebello, Que., over the weekend of January 15–16.

Professor P. H. Calderbank attended the annual meeting of the American Institute of Chemical Engineers at New York, December 12–16.

O.C.E.

Dean A. C. Lewis addressed the District V convention of Phi Delta Kappa in Milwaukee on October 28th on "The Training of Teachers in Ontario."

Last fall Professor C. E. Phillips spoke on educational topics to the Canadian Association of School Superintendents and Inspectors (Edmonton, Sept. 13), the Young Liberals' Association (St. Catharines, Sept. 24), the South Peel Round Table (Port Credit, Oct. 5), the St. Thomas and Elgin Elementary School Teachers' Association (Oct. 8), the Home and School Association of the South Preparatory School (Forest Hill Village, Nov. 16), and Whitby District High School commencement night (Nov. 19). Professor Phillips was in Washington on November 4 on business of the Canada–United States committee on Education, of which he is co-chairman.

Professor R. W. B. Jackson visited Washington on November 3 to confer with representatives of the Educational Testing Service and the Canada–United States Committee on Education on a proposed program of testing high school students in the two countries.

On December 6, Professor C. C. Pitt will open the Toronto District Conference of Inspectors and Teacher's College Masters with an address on "Individual Differences." Professor Pitt is presenting a esries of addresses on Educational Psychology to the Hebrew Midrasha through November and December. He spoke on "The Student Capable of High Academic Achievement" to a section of the recent conference of the Ontario Association for Curriculum Development.

Miss Dorothy Thompson has been elected president of the University Women's Club of Toronto.

Professor D. F. Dadson has completed a term as President (1953–54) of the Ontario Association for Curriculum Development. The Association's recent Annual Conference in Toronto was attended by three hundred delegates representing elementary and secondary schools, the universities, the Department of Education, trustees, Home and School and Parent–Teacher Associations. Professor Dadson was guest speaker at the twenty-fifth Annual Commencement of York Memorial Collegiate Institute and at the first Commencement of Royal York Collegiate Institute.

During the Fall term Professor Andrew Skinner, formerly of the University of St. Andrew's and Dundee Training College, spoke to the following groups: Avonmore and District Chamber of Commerce, Woodstock Board of Education and Suburban District High School Board, and the English-Speaking Union, Toronto Branch.

Forestry

Mr. A. D. Hall was recently elected chairman of the Southern Ontario Section of the Canadian Institute of Forestry.

Music

Mr. Godfrey Ridout's "Cantiones Mysticae" will be included in a program of Canadian music to be played by the Toronto Symphony Orchestra, Sir Ernest MacMillan conducting, on February 9.

Dentistry

Dr. J. H. Johnson gave an extramural lecture on January 27th before the Essex County Dental Association at Windsor.

Dr. R. J. Godfrey will speak at the Peterborough and District Dental Society, February 2.

On January 13, Dr. D. L. Anderson and Dr. D. S. Moore participated in a symposium on Periodontics at the Hamilton Dental Association.

Dr. D. S. Moore spoke to the Kitchener Dental Society on Periodontics on January 19.

Dr. P. G. Anderson, President of the Canadian Dental Association will be in Newfoundland from January 31 to February 2 and in Western Canada from February 21 to March 13.

Pharmacy

Professor H. J. Fuller addressed the eastern representatives of British Drug Houses (Canada) on "The Role of the Pharmaceutical Manufacturer in Pharmacy Today" on December 14. Professor Fuller has been appointed to the Committee for the Study of Problems of Interprovincial Licensing of the Canadian Conference of Pharmaceutical Faculties.

Social Work

Professor C. E. Hendry represented the Council on Social Work Education at the Inauguration of Chancellor Furnas at the University of Buffalo, January 7.

Professor A. F. Klein addressed the B'nai B'rith Youth Conference in Toronto on "The Role of Youth in the Community Today." He also spoke to the Hamilton General Hospital Staff Nurses on "Leading A Team."

Professor Albert Rose attended the annual meeting of the Council on Social Work Education in Chicago, January 26–29, and served as research analyst for one of the sessions of the Commission on Research.

COLLEGE, FACULTY AND DEPARTMENT NEWS
